

PUBLIC LEDGER

SIXTH YEAR.

MAYSVILLE, KY., FRIDAY, AUGUST 13, 1897.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

Upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Notices in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—32 times—the bill is \$16.25. When he finds it out there is a "kick," and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "I'll forbid" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance, a great many have already bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of Suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in Cheeks, Plaids, Stripes, etc., Suits that we sold at \$18, \$16.50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

:- \$10.00!

It is the greatest sacrifice sale we ever made, but as our patrons will be benefited, and it secures us room and money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

:-: CASH!

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

HECHINGER & CO.
THE LEADERS IN
GOOD CLOTHING.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Miss Sallie Biggs of Wurtland is the guest of her aunt, Miss Ann Wurt.

Mrs. Elmer E. Nicholson and son of Canton, O., are visiting Mr. and Mrs. C. H. Nicholson.

Mr. A. M. Slack, who's always called Major, returned yesterday from a pleasant visit to Glen Springs.

Miss Daisy Smith, a charming little lady of Richmond, is visiting Miss Maude Hall of West Second street.

Colonel Leo S. Harris of the Bee Hive has returned after a delightful sojourn at Atlantic City. Mrs. Harris and children will remain in the East several weeks yet.

The first Oysters of the season at Roper's New Era.

Any one wishing Cut Flowers can be supplied at Mrs. John Crane's, 231 East Fifth street.

A small boy thought he would play a joke on his mother by telling her he had two holes in his new trousers, but before he could explain that the two holes were where he put his legs in, the old lady had him across her knee and vigorously impressed on his under-sitting the importance of taking better care of his clothes.

Amateur night at Electric Park has been changed to tomorrow night. This gives some new talent a longer time to get ready. Tonight's show will be a hummer in every sense of the word. Helf and Yost in singing only pleased and delighted a large audience. The old-time favorites do not confine themselves to old gags and old songs, but nightly change. Ten cents is the admission, and the show lasts one and one-half hours.

Mr. Garrett B. Wall, son of Hon. G. S. Wall of this city, is a member of the Young Men's Business Club of Richmond, Va. He is also a member of the committee which will next week attend the Grand Encampment of the G. A. R. at Buffalo, N. Y., with a view to having the Grand Encampment meet in Richmond in 1899. THE LEDGER hopes the Maysville delegation will favor Richmond.

SPRINGDALE SENSATION.

Howard Adams Arrested There Yesterday For Detaining a Married Woman.

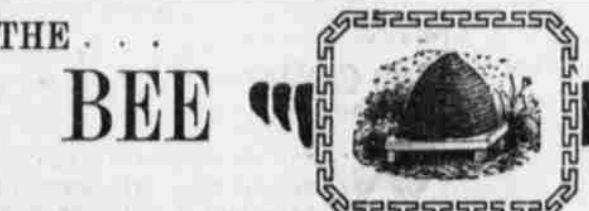

Yesterday Deputy Constable Charles Dawson went to Springdale with a warrant and arrested Howard Adams.

It is charged that Adams detained Mrs. Rebecca Truitt, wife of John Truitt.

Adams was brought here and lodged in Jail.

Residents of the neighborhood seem to think there isn't much in the case.

His trial was set for 10 o'clock this morning before Squire Miller.

ELYSIUM.
Kentucky, O. Kentucky!
I love your classic shades,
Where sit the fairy figures
Of the dark-eyed Southern maids!
Where the mocking-bird is singing
'Mid the blossoms newly born?
Where the corn is full of kernels
And the Colonels full of corn!
—James Barrett Kirk.

M. C. Russell & Son sell Daisy Patent Flour.

The Campmeeting at Parks Hill is now in full bloom.

Dr. George W. Grimes of Carlisle sold a thoroughbred yearling colt for \$600.

Janeau Yukon get Soda Water as cold as Klondike at Chenoweth's Drugstore?

Mr. B. W. Goodman, the clever Post-office clerk, is recovering from his recent illness.

Hitt is the name of a new Postoffice in Robertson county and Frank Hitt is Postmaster.

The Knights of the Golden Eagle organized a lodge at Greenup last Thursday night with 27 members.

The largest fleet of vessels that ever left England in ballast has cleared for American ports to get cargoes of grain.

This is the forty-third anniversary of the great powder magazine explosion in this city, which occurred Sunday, August 13th, 1854, at 2:10 a. m.

Some much needed repairs have been made to the cupola of the Courthouse; but the most desirable change would be a modern and decent building.

Immigration is at the lowest point reached since the Federal Government began to exercise supervision of it. The immigrants during the last fiscal year numbered only 230,832, a decrease of 112,435 from the total for the year before.

The funeral of the late George W. Rogers occurred from the family residence, 127 East Third street, at 10 o'clock yesterday morning, under the auspices of Maysville Commandery No. 10, K. T., and DeKalb Lodge No. 12, I. O. O. F.

George Reiman, who threw down the Cincinnati Reds while pitching for the Maysville Baseball team in this city, accomplished the same feat yesterday at Dayton, O., and "Punch" Kellner was behind the bat. That's a battery that the most of them will fall victims to. The Dayton team comes very near being the old Maysville team, and the score was 13 to 8, and Harry Weldon was there, too!

The Central Presbyterian Church will be open for worship Sunday, Rev. Henry M. Scudder, D. D., of Carlisle preaching.

According to former State Geologist Gorby of Indiana, Kentucky has onyx beds which are the richest and most extensive known.

It's contagious—and creditable. Mr. William S. Frank has put down a nice cement sidewalk in front of his Court street property.

The Electric Park is the place to go. Maysvillians never before had a chance to enjoy good vaudeville attractions within a summer place of amusement. The get-up-and-get qualities of Manager Fremont inspired the present owners, and the vox populi have spoken approvingly. Tonight a big crowd will be present, because it is an evening of mirthful melody and much music. The price is 10 cents, and you have one hour and a half of enjoyment.

SUES THE HOTEL.

Attorney George R. Gill is Seriously Opposed to Too Much Water.

Water is a good thing in its place. But Mr. George R. Gill doesn't think it was made to be thrown out of hotel windows onto persons sitting below.

Yesterday Mr. Gill was seated in front of the St. Charles when some one threw three buckets of water on him.

Diligent inquiry failed to discover the offender, so Mr. Gill brought suit against the hotel for \$35,000 damages.

The petition is radiant with red fire, and the case will prove mighty interesting.

NOT TOO LATE.

Maysville Could Have a Fine, Old-Time Fair Next Month.

It seems very strange that a city of ten thousand inhabitants should be without an old time Fair or Autumnal Harvest Home. The idea was suggested some weeks ago, but through lack of proper nourishment seems to have died.

Now, we have talked with several citizens, and are full safe in saying such a season of merriment and a chance for fraternal gathering can yet be arranged.

Nearly all our neighboring towns and cities have fairs, and why not we?

The scheme has focused somewhat, and the next few days promises fruition, and if the solicitor who has the event in charge meets with the substantial encouragement which such an enterprise deserves, then for four days in September, a real, old-timed ingathering will be held at our naturally beautiful grounds. Think over it, you merchants, and lend a hand.

THE REBEKAHS.

They Had a Large Crowd and a Jolly Good Time Last Night.

About 24 members of Friendship Lodge No. 43, Daughters of Rebekah, went to Ripley last evening, upon invitation of that Lodge, to witness the exemplification of the beautiful work upon two young lady candidates.

Besides the Degree work, other attractions were offered, all to wind up with an elegant banquet, and according to the arranged program, everything was as advertised. The only thing lacking was capacity sufficient to enjoy all the good edibles spread before those who were fortunate enough to get seats at the table.

Georgetown, O., was represented by a large number of members of the Rebekahs of that city, and from the way the Maysville people who were there talk our Ripley neighbors have placed themselves on record as capital entertainers.

There were about 100 young people accompanied them on the Laurence from this city, and they all returned this morning at 2 o'clock.

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

WHAT THEY SAY.

Newspaper Expressions Regarding an Editor's Claims Upon the Appointing Powers.

Kentuckian Citizen.

Maysville Postoffice.—Among applicants for the Postmastership at Maysville is our editorial friend, Colonel Thomas A. Davis, of THE PUBLIC LEDGER. Colonel Davis held the position one term, discharging his duties in such a manner as to give satisfaction to the public and reflect credit upon himself. There is no man in the "Seven-acre City" better qualified, or more justly entitled to the position to which he aspires than Tom Davis, having earned it by faithful service for his party, by speech and in print. "To the victors belong the spoils," and we hope Editor Davis will get his share. Tom don't ask this slice of "pie" merely because he is one of the "G. O. P." but because it is his due by reason of long, faithful and efficient service for his party. We are glad to see our editorial brethren promoted, even though they differ from us politically.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
